

LEADERSHIP AND AMBITION

**HOW DOES THE AMBITION
AFFECTS THE LEADERSHIP
SKILL OF A LEADER?**

4 MAJOR KEYS IN LEADERSHIP AND AMBITION

- 01. Vision and Goal Setting**
- 02. Resilience and Perseverance**
- 03. Effective Communication**
- 04. Adaptability and Growth Mindset**

POSITIVE ASPECT OF AMBITION IN LEADERSHIP

Visionary Thinking

Ambition drives leaders to create bold visions for the future.

Innovation

Ambitious leaders push their teams to think outside the box.

Resilience

Personal ambition helps leaders overcome challenges and setbacks.

High Standard

Leaders with ambition demand excellence, driving performance.

Self-Centered Focus

Ambitious leaders may put their own goals ahead of the team's or organization's needs.

Ethical Risk

Ambitious leaders might take shortcuts or make unethical choices to achieve success faster.

Burnout

Constantly pushing for big goals can cause stress and burnout for both the leader and the team.

High Standard

The leader may overlook the team's well-being, causing people to feel undervalued and disconnected.

DOWN SIDE OF AMBITION IN LEADERSHIP

**Thank you
very much!**
